OUTDOORS

This development is the residential development of your dreams, stretching through over 40,000 m2 with exotic gardens. A development of buildings with a catching design of white lines and gentle outlines for its south-facing apartments.

The apartments sit in small residential groups, nestling among large green zones of palm trees, tropical plants and pools, which create a green Mediterranean ecosystem.

A walkway skirts the edge of the lagoon, so you can enjoy the natural setting and views while you walk, run or enjoy other wheeled sports.

The artificial beaches are of fine beige sand and have sun deck areas and zones for beach sports, communal service facilities, changing rooms and shower.
