We have several plots for sale in Marbella Club Golf Resort, a private, gated complex with 24-hour security and concierge, golf course and equestrian center.

It is a residential where maintaining the natural environment prevails where most of the plots have a minimum of 4.000 m² of surface on which only approximately 10.6% can be built, with a maximum height of 7 meters or ground floor plus 1. Since most plots are sloping, basements can have higher views.

This particular plot is perfect for those who want a house integrated into the forest and with sea views. It is a large plot, at the end of a "cul de sac", with approximately 6.381 m² of surface and about 676 m² of buildable area with terraces and basement. Given the orography, if a basement was built, it could have very pleasant views.
