Property Description

Location: El Paraiso, Costa del Sol, Spain

Excellent Key-Ready modern 6 bed, 6 bath villa, fully furnished and ready to move in on a large plot in a quiet residential area in El Paraiso.

Beautiful exclusive development on the New Golden Mile. Ideal option for those looking for a modern home in an established consolidated area.

Los Olivos del Paraiso is located in the heart of El Paraiso, a well-established area between Marbella and Estepona offering close proximity to all amenities and golf courses – within minutes' drive to Puerto Banus and beach.

Designed by renowned architect Pedro Iraburu Elizalde and developed by Grupo Vasari, one of Marbella's leading developer, the villa offers a high quality build and spacious interior designed rooms. No expense has been spared on the furniture and fittings, creating a perfect blend of sophistication and comfort.

Built over 3 levels – the ground floor consists of a large hallway with WC, an open plan living space that enjoys an abundance of natural light throughout the day, thanks to the large glass windows that open out onto the outdoor area (private heated swimming pool, BBQ area, chillout seating, al fresco dining set, as well as private sun loungers). Throughout the ground floor, there are 3 large bedrooms (with en-suites), one of which being the master bedroom which enjoys access through a bespoke walk-in wardrobe. Each bedroom is light, spacious and has views of the garden.

The lower ground floor consists of a large games room, featuring a dining table, bar and TV area. Two other two large bedrooms (with en-suites) are situated on this level.

The first floor consists of a large roof terrace and spacious bedroom (with en-suite) overlooking the garden. These spaces are accessed via a sleek and modern staircase.

Each bedroom has a TV, generous storage space and is immaculately presented.

The asking price of €2,550,000 includes the complete furniture package. For people looking for a turnkey solution, this is the perfect option to go for!
