development as it has walking distance to everything including Puerto Banus and the beaches.

This is a ground floor duplex unit. Inside the property there is a fitted kitchen, nice lounge area with cozy fireplace and connected dining area, direct access to a beautiful terrace with dining and lounge area.

The private residential development has tropical gardens, three swimming pools, two children pools and a paddle tennis court.

This is a very well loved urbanisation for holiday makers and there are also quite a few people renting the whole year round. This is because of its central location and no need for a car which attracts people. It is centrally located within Nueva Andalucía.
