The ground level boasts a spacious entrance hall with access to the main living room with dining area and charming fireplace. It features three floor-to-ceiling windows with double glazing, connecting the indoor and outdoor spaces to make the most of the good weather.

The porch is covered and surrounded by the lawn, making up about 400 square meters of garden. It's possible to add a private swimming pool to enjoy the sun and warm temperature of La Costa del Sol. The panoramic views of the golf course are spectacular, with the privilege of having southwest orientation, which ensures constant lighting throughout the day. Additionally, there's a covered garage with space for 2 cars and extra parking spaces outside.

As for the kitchen, it's independent and upgraded with new high-end bespoke furniture and Siemens appliances (including double fridge with freezer, oven, induction hob with extractor hood, dishwasher, washing machine and dryer).
